## REFERENCE LETTER

We issue the present Reference Letter to certify that EL KONTROL EOOD, Stara Zagora, in their capacity of Subcontractor of Schneider Electric France, have executed the **Electrical installation works for erection of Letnica Photo-Voltaic (PV) Park**. The PV Park is situated near Letnica town, Lovech district, Bulgaria on a territory of 498 decare, having 14 MWp nominal capacity.

Contracted scope amounts **535 900 Euro** in total and includes the following works:

- Delivery, laying and connection of MV and LV power cables;
- Delivery, laying and connection of fiber-optic and communication cables;
- Delivery and installation of earthing installation for PV panels;
- Delivery and installation of MV cable ends;
- Installation of LV switchboards;
- Commissioning of PV Park and connection of PV panels.

Assigned works were accomplished in June 2012 in observation of all Technical Specifications. The PV Park was put under operation within the agreed Time-Schedule, and the installed equipment is working at a normal operating mode.
